

26 Years and Counting!

FATHER OF THE YEAR AWARDS GALA

ALLISON TYLER JONES

Faye K. Ghishan, MD

Director, University of Arizona Steele Children's Research Center

For 26 years the Father's Day Council Tucson has honored fathers whose achievements and values greatly enhance the meaning of Father's Day, for their families and our community. This year, we will again honor these fine men.

Please consider becoming a sponsor, donate and join us at our gala. All charitable proceeds raised will fund the Father's Day Council Tucson Endowed Chair for Type 1 Diabetes Research. By supporting the world-class work of Dr. Faye K. Ghishan and his team at the University of Arizona Steele Children's Research Center, we're providing funds to eradicate this disease. This is our highest charge.

FATHER'S DAY COUNCIL TUCSON

WHO WE ARE

The Father's Day Council Tucson is a volunteer-led executive board comprised of leading members of our community. Each year, the Council honors individuals whose achievements and values enhance the meaning and status of Father's Day. Father's Day Council Tucson seeks to enhance the role of fathers in society by honoring men who have mastered the balancing act of career, fatherhood and civic involvement.

WHY WE RAISE MONEY

Approximately three million Americans have Type 1 Diabetes, and each year, more than 15,000 children and 15,000 adults—nearly 80 people per day—are diagnosed in the U.S. In Tucson, the Angel Wing Clinic for Children with Diabetes takes care of more than 700 patients with Type 1 Diabetes ranging in ages from newborn to 21, and is the first ADA pediatric clinic in Southern Arizona devoted to children with diabetes and other endocrine disorders.
